Dear Esteemed Recipient,

I am Agnes Schulze, a Munich, Germany resident, and a widow. At 51 years old, I have dedicated my life to humanitarian efforts. Regrettably, I am currently battling breast cancer, and my health is declining rapidly. My medical team has stressed the severity of my condition.

It is with a heavy heart that I share the loss of my husband and only child five years ago. My husband's death was politically motivated. He was a prosperous oil magnate in West Africa, engaged in the trade of oil, gold, and diamonds. After his passing, I inherited his business and wealth.

Realizing the limited time I have left, I have chosen to allocate a portion of this wealth to assist the less fortunate in Africa, America, Asia, and Europe. While perusing the internet, I stumbled upon your email address. I have decided to donate \$17,500,000.00 USD for humanitarian and charitable causes. This sum is currently held in a private bank in Africa, specifically the Standard Trust Bank Ltd, under your supervision.

If you are interested in partnering with me on this endeavor, please reply for further information via my private email
